**NOTE:**

These reports and memoranda, consisting of 50 pages, have been approved by the supervisors, Mr. Belmont and Mr. Malley. Transmittal letter is classified "Secret" inasmuch as 8/31/64 memorandum entitled "Mark Lane, James Delaney Garst" contains information from [British intelligence] which has been classified "Secret" by such agency. The report of SA James Morrissey bears a "Confidential" classification inasmuch as the report contains data developed through our coverage of Soviet diplomatic official the unauthorized disclosure of which would be detrimental to the interest of the U. S.
