On 4/26/68, WILLIAM F. ALEXANDER, Assistant District Attorney, Dallas County District Attorney's Office, Dallas, Texas, was contacted on another investigative matter by SA CARL L. CURTIS, JR. During the course of this contact, ALEXANDER asked if MARK LANE was of any interest to the FBI. He was

advised by SA CURTIS that any FBI interest in LANE was unknown to him. ALEXANDER then commented that he had known for several years that a photograph of LANE as the subject of a masochist rite was in existence and that he (ALEXANDER) has acquired this photograph recently from an undisclosed source in New York.

ALEXANDER continued that MARK LANE had been critical of Dallas authorities and the FBI and had caused a lot of trouble for Dallas authorities. He stated that if MARK LANE should return to Dallas he would be confronted with this photograph.

SA CURTIS viewed that photograph which depicts a man nude, with his arms taped behind him, sexually aroused, and his sex organs being tortured.

A photograph of MARK LANE contained in Dallas files was viewed by SA CURTIS who states that if the man in the photograph exhibited by Mr. ALEXANDER is not MARK LANE, such individual bears definite similarities to him.

Copies of this communication are furnished the New York Office for information as that office was formerly the office of origin in the LANE case and may have some knowledge of the existence of a photograph of LANE as described above.

The foregoing information is furnished for the information of the Bureau, and New York and New Orleans and will not be submitted in LHM for dissemination, UACB, as to disseminate such information it is felt contact with ALEXANDER would have to be made as he indicated he was exhibiting the photograph "confidentially". To indicate to ALEXANDER that this bureau had an interest in MARK LANE is not considered advisable, inasmuch as ALEXANDER was a somewhat controversial figure in connection with the investigation concerning the leak of information to the press concerning OSWALD's diary during the course of the assassination investigation.

SECURITY MATTER - C

#216326  
Classified by SP6BJS/ML

Attached is a memorandum concerning the subject which includes derogatory background data together with additional information received from [Shamrock's] our sensitive penetration of Soviet intelligence, regarding his relationship with the Soviet Committee for State Security (KGB) for delivery to Mrs. Mildred Stegall at the White House, and the Attorney General.

BACKGROUND:

Mark Lane, a 40-year-old attorney, has maintained legal offices in New York City since 1952. He has a long history of affiliation with Communist Party front groups, and in 1952 held a position of Administrative Secretary of the New York Chapter of the National Lawyers Guild which has been cited by the House Committee on Un-American Activities. He is a former member of the New York State Assembly, 1960-62.

On December 30, 1964, Lane married a Danish national and has been residing abroad since that time. He received considerable publicity regarding a personal investigation he was conducting concerning the assassination of President Kennedy which resulted in the publication of a book on August 15, 1966, entitled "Rush to Judgment." At one point during the Warren Commission inquiry, he was retained by Mrs. Marguerite Oswald, mother of Lee Harvey Oswald. In 1962 the Office of the District Attorney, Queens County, New York, conducted an investigation of him for alleged sodomy furnishing the Bureau with statements and photographs concerning perverted sexual acts of a sadistic and masochistic nature committed by Lane.

MARK LANE

1 - Mr. C.G. Sullivan

Mark Lane, born February 24, 1927, Bronx, New York, is an attorney who has maintained legal offices in New York City since 1952. He has a long history of affiliation with Communist Party front groups. In 1952 he was Administrative Secretary of the New York Chapter of the National Lawyers Guild which has been cited by the House Committee on Un-American Activities. He is a former member of the New York State Assembly, 1960-62.

During the period the Warren Commission was in existence, Lane continually took issue with the Commission concerning evidence developed surrounding the assassination of President Kennedy. He received considerable publicity in these matters and regarding his personal investigation of the assassination of President Kennedy. At one point, he was retained by Mrs. Marguerite Oswald, mother of Lee Harvey Oswald. On December 30, 1964, he married a Danish national and has been residing abroad since that time. He frequently returns to the United States and on August 15, 1966, he published a book "Rush to Judgment," which he describes as a critique of the Warren Commission's inquiry into the assassination of President Kennedy.

The Office of the District Attorney, Queens County, New York, conducted an investigation of Mark Lane in 1962 for alleged sodomy, making available the statements of two girls, an obscene photograph of Mark Lane and hand printed instructions which Lane gave to one of the girls in order that they could perform upon his person perverted sexual acts of a sadistic and ~~perverted~~ nature.

A confidential source, contact with whom has been insufficient to establish his reliability, has advised that the Soviet Committee for State Security (KGB) had established a "trusted relationship" with Mark Lane. He was identified ~~(X)~~ (u)

by the KGB as a lawyer and author of a recent book critical of the Warren Commission. According to the source, this "relationship" was established by Boris Orekhov, a KGB officer who had two meetings with Lane. Thereafter, however, Lane went to Europe and after his return was not contacted. (S)(u)

With regard to the Boris Orekhov mentioned above, it is believed he is identical with Boris Mikhaylovich Orekhov, a Soviet national formerly employed by the United Nations Secretariat, New York City. Orekhov served in the United States from February 12, 1964, to June 17, 1965, and again from August 19, 1965, to April 2, 1966. (S)(u)

According to the above confidential source, information concerning Lane had previously been made available to the KGB in December, 1962. This data described him as an attorney, a member of the New York State Assembly, and sharply opposed to policies of the New York Democratic Party. He was also described as sharply opposed to racial discrimination, having organized a group of "freedom riders" which traveled to southern states where he was arrested. He was further described as an advocate of passive resistance although he is not inclined to submissiveness. (S)(u)

MISCELLANEOUS - INFORMATION CONCERNING

On the night of March 28, 1966, Mrs. Jean Lollis Hill, 9402 Bluff Creek, Dallas, Texas, telephone number EV 1-2271, telephonically contacted the Dallas Office of the Federal Bureau of Investigation (FBI) and requested that she be contacted by a Special Agent familiar with the assassination investigation.

On the morning of March 29, 1966, Mrs. Hill advised that during the past week she has been telephonically contacted on several occasions by an individual identifying himself as De Antonio who indicated he and a Mr. Black were preparing an educational television documentary concerning the assassination of President Kennedy and desired to interview her in detail. She stated that she had not consented to such an interview but on the evening of March 28, 1966, two individuals identifying themselves as De Antonio and Black, appeared at her residence for the purpose of interviewing her. She stated that she questioned them as to the exact nature of their visit and being a school teacher, herself, doubted that they were endeavoring to compile data for any educational television documentary relating to the assassination.

Mrs. Hill stated that she had previously talked to an individual named Jones Harris, who was also desiring to interview her for purposes of a book he was writing and that Jones Harris had indicated to her that De Antonio was one of "Mark Lane's men."

Mrs. Hill advised that she specifically asked De Antonio and Black if they were connected with Mark Lane and De Antonio admitted that Mark Lane was "one of their backers." She stated De Antonio mentioned that some of the backing was coming from England for his project.

Re: ASSASSINATION OF PRESIDENT  
JOHN F. KENNEDY  
November 22, 1963, Dallas, Texas

February, 1965, telephone PL 5-8310.

On February 25, 1965, Florance Gaffney, operator of Belles North Limited Answering Service, basement of apartment house located at 221 East 78th Street, New York, New York, advised that Jones Harris, at the above-mentioned New York address, was convinced that Lee Harvey Oswald did not assassinate President Kennedy and that Harris believed Oswald was one of the persons appearing in a well published photograph of a group of people appearing in the doorway of the Texas School Book Depository building on the day of the assassination. She indicated that Harris was supported in this theory by a New York attorney, Arnold Krakower.

Mrs. Gaffney described Harris as a free lance writer, white male, in his early thirties, short stocky build, about 5'6" tall, dark hair, balding, and dark eyes.

On January 12, 1966, DL T-1, a confidential source abroad, furnished information to the effect that Mark Lane had finished reading the proofs of his book dealing with the assassination of President Kennedy, entitled "Rush to Judgment." According to this source, an article appeared in the Danish newspaper "Lolland-Falsters Folketidende", on January 4, 1966, which related that a documentary film of full length was expected to be produced dealing with the assassination and founded on Mark Lane's book. The film was to be made by De Antonio, not further identified, and was to be based on pictures taken by American Broadcasting System and the Columbia Broadcasting System. The article indicated that in February, 1966, Lane and his assistants were going to Dallas to talk to witnesses of the assassination. (C)

Warren Allen Reynolds, 8707 Mosswood, Dallas, Texas, advised the Dallas Office of the FBI on March 30, 1966, that he had been recently contacted by an Emile de Antonio, a producer for Judgment Films Corporation, New York City, New York, formerly associated with BBC-TV, New York City (not further identified). Antonio advised Reynolds that his film company was making an educational film regarding the assassination of President John F. Kennedy. Antonio indicated they were staying at the Arlin Motel, Arlington,
