Title: JFK TASK FORCE

**Synopsis:** To request that computer cables for 11 additional computers be pulled in Room 6362.

**Details:** The JFK Task Force has been unable to procure printers for the available computers. According to IRD, the remedy is to connect the computers through the cables to a printer and utilize fewer printers. Therefore, the JFKTF needs cables for 11 computers in Room 6362. This would also provide additional access to FBINET and Electronic Communications.
