**SECRET**

At the time of his defection and subsequent debriefings all the factual information enclosed in these articles was provided to the CIA and its subsequent dissemination is unknown. Source has had one major book published in the U.S. unrelated to this topic, and has chosen to resurrect this information and do extensive research on it. Much of what is written is theorized regarding OSWALD's wife and OSWALD's possible programming to assassinate JFK. All the factual information source has available and the theories stemming from that information are included in the enclosed writings.

If after a review and analysis by receiving offices it is determined that further discussions with source are warranted WMFO can make source available to interested parties.

As of the date of this airtel all information and theories have been included in the writings and it should be noted that source has, to date, been unable to secure a publisher for this book.
