## FEDERAL BUREAU OF INVESTIGATION

**Precedence:** DEADLINE 02/28/1998

**Date:** 02/12/1998

**To:** New York

**Attn:** Eileen Rawlinson

**From:** Office of Public and Congressional Affairs  
JFK Task Force, Rm. 11144  
**Contact:** Pauline E. Battle, Ext. 0664

**Approved By:** Keeley Carol L *ckl*

**Drafted By:** Battle Pauline E *peb*  
**Case ID #:** 62-HQ-1029205 (Pending)

**Title:** John F. Kennedy Records Collection Act  
of 1992 (the Act)

**Synopsis:** The Act established the Assassination Records Review Board (ARRB) to oversee the government's production and compliance with the Act. The ARRB reviews the proposed postponements in documents sent by each agency to the National Archives and Records Administration (NARA) and decides what postponements the Act will allow or opens the document in full. The ARRB's responsibilities include having agencies search other subjects and areas to find additional material not already identified as assassination records. The establishment of the ARRB by the Act also limited the time for their duties to be accomplished. The ARRB must complete their tasks by September 1998. With this deadline in mind, the ARRB sent a letter requesting additional information.

**Enclosures:** ARRB letter requesting material. *62F-HQ-1029205-363*

**Details:** On March 19, 1997, the ARRB sent a letter to the FBI setting forth a formal request to receive and review additional records. The ARRB's goal is to research every possible subject that may have a bearing on assassination theories and to assure Congress and the American public that all was done to accomplish the intentions of the Act.

New York should conduct a search for the listed items. If New York is aware of any administrative records they may have maintained outside the normal index system, they should include those areas in the search. If any documents related to the matters are found, please forward the documents to the JFK Task Force.

Pursuant to the Act, any material categorized as an assassination record must be sent to the NARA in its original form. The Act established the process of handling the documents and the FBI must follow the Act. If New York believes there
