Title: Assassination Materials Disclosure Act
of 1992

Synopsis: Philadelphia is requested to forward the document listed below to the JFK Task Force as soon as possible due to an extremely short deadline.

Enclosures: Cover letter and first page of New York copy of document.

Details: Pursuant to the John F. Kennedy Assassination Records Act of 1992 (JFKARCA) any material considered to be assassination records must be made available to the National Archives and Records Administration (NARA) in their original form. The JFKARCA defines how the FBI may now postpone certain information, but the originals are still sent to the NARA, to be maintained until the year 2017 when they are to be opened in full. Therefore, the serial will not be returned to Philadelphia.

Since the original will be sent to the NARA, copies of the serials should be made for record purposes prior to shipment to FBIHQ. The serials should be received at FBIHQ no later than C.O.B. 9/21/98.

Please ship the following serial to FBIHQ, JFK Task Force, Attention Catherine L. Lamey, Room 11144.

PH file no. 92-1027, airtel dated 5/24/63 and surveillance log (undated, although according to the airtel the report was made 5/20/63). New York's copy of the airtel and the first two pages of the surveillance log are attached for identification purposes. Philadelphia should provide all original pages of the surveillance log.
