

This document is made available through the declassification efforts
and research of John Greenewald, Jr., creator of:

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular mechanical components and bolts. The lighting is dramatic, with the blue glow contrasting against the dark background.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

Title: John F. Kennedy Records Collection
Act of 1992 (the Act)

Synopsis: Miami is requested to forward the document listed below to the JFK Task Force as soon as possible due to an extremely short deadline.

Details: Pursuant to the John F. Kennedy Assassination Records Collection Act of 1992 (JFKARCA) any material considered assassination records must be made available to the National Archives and Records Administration (NARA) in their original form. The JFKARCA defines how the FBI may now postpone certain information, but the originals are still sent to the NARA, to be maintained until the year 2017 when they are to be opened in full. Therefore, the serial will not be returned to Miami.

Since the original will be sent to the NARA, a copy of the serial should be made for record purposes prior to shipment to FBIHQ. The serial should be received at FBIHQ no later than C.O.B. 05/12/98.

Please ship the following serial to FBIHQ, JFK Task Force, Attention Catherine L. Lamey, Room 11144.

65-MM-3346, serial 2
