Title: JOHN F. KENNEDY RECORDS COLLECTION
ACT OF 1992 (the Act)

Synopsis: Results of indices search.

Reference: 62-HQ-1029205 Serial 418

Details: Re Bureau EC to All Field Offices, 5/29/98.

Referenced Bureau EC requested all field offices conduct a new indices search for any additional information related to President John F. Kennedy's assassination that may have been placed on record since the previous search.

A search of Houston's indices to the central records system failed to locate any additional information. A search of the indices was made on the core and related subjects listed in the referenced Bureau EC. Additionally, an inquiry was made with the SAC's Secretary concerning any old "archived" SAC assassination related material. This inquiry also failed to locate any records.
