it was noted that the streets in the immediate area of this building were very busy and it was impossible to open the ground-floor door because of the people passing in the area of the building. Further attempts will be made during the winter months when there will be less traffic in the area of the Prisco Travel Bureau.

NY 3936-C has indicated that while he was with CLEMENTE, CLEMENTE went into a building located at 341 West 38th Street, NYC. It was NY 3936-C's opinion that the subject was a frequent visitor to this building. The NYO is attempting to determine the identities of persons in the building that may know the subject.

NY 3936-C has further reported that the subject is selling meat to Howard Park Hospital, Long Island, New York.

It is noted that the period of the investigative report extends beyond ninety days. This investigation concerning CLEMENTE has been conducted on a continuing basis and any report prior to this report would have been a status report.
