The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular locking mechanisms and bolts. The lighting is dramatic, with the blue glow contrasting against the dark, metallic surface.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.

File No.Re: Salvatore Granello NY

It has been alleged that an individual named De Joie, the former Prime Minister of Haiti, is leading a revolutionary group from the Dominican Republic in an attempt to overthrow the government of Haiti.

Salvatore Granello, a member of the New York criminal element, has indicated a desire to establish gambling casinos in Haiti. It has been alleged that when De Joie requested \$20,000 in cash immediately to purchase arms and food, Granello and James Plumeri, who is also interested in establishing gambling in Haiti, backed off temporarily since they did not want to lay out this amount of cash.
