~~CONFIDENTIAL~~RE: JOSE ENRIQUE ALEMANY; CARLOS RICARDO SOLOMON

president took office. In late 1960, and early 1961, SOLOMON was seen by another Cuban student, unidentified, passing out literature and pamphlets published by various departments of the Cuban government to Latin American students on the LSU campus, including Cuban students. SOLOMON speaks favorably of CASTRO. ISASI knew of no information that SOLOMON is a communist or communist sympathizer.

In conclusion, ISASI advised that there is literature such as pamphlets being received on the LSU campus, apparently by the pro-Castro Cuban students, which they occasionally distribute. This literature is published in Spanish in Cuba by the present Cuban government.

[On February 20, 1961, and April 18, 1961, NO 1084-S,] (X)(u) who is familiar with some phases of Communist Party and related activities in the Baton Rouge, Louisiana, area, advised that the above-mentioned Cuban students at LSU (referred to by ISASI) are unknown to him and he has no information concerning them.

In view of the allegations re both subjects SOLOMON and ALEMANY indicating they were active in passing out literature published by the Cuban government, New Orleans, has opened separate cases on these subjects to determine extent of their activities and whether or not their actions place them within purview of Foreign Agents Registration Act.
