Re report of SA RALPH F. MILLER, dated at New York, New York, original and one copy of which are forwarded herewith.

NSA Info Reclassified Per their letter 2/27/88. mds (JFK)

It is noted this report contains information in the title from Bureau Source 5 and it is not to be disseminated.

Efforts have been made to contact CHARLES MALAMUTH, 215 East 73rd Street, New York City, but he is reported to be presently in Europe for the State Department and will possibly be back in June 1954, as this would be the completion of a two year's stay there.

It has been noted that in the late 1930's, MALAMUTH had some connections with Trotskyites or individuals who were Trotskyites or sympathizers, and he was acquainted with JEAN VAN HEIJENOORT.

A review of the SWP file and individual files of Trotskyites is being made, but no specific information has been developed. It has been noted that WALTER KETLEY, bodyguard, companion, etc., to NATALIE TROTSKY, who returned to the United States in the summer of 1944, was married in Mexico to IRA NIN, daughter of ANDRES NIN, although in this connection available information indicates that she was a young girl, was not politically minded and did not necessarily share KETLEY'S political views at that time. This is merely being set forth for information purposes, inasmuch as JOAQUIN MAURIN was associated with ANDRES NIN in Spain.
