SU 94-253

EGGLESTON was found in this well and he was almost positive the person who killed EGGLESTON was the same who killed NOBLE. He stated when he determined definitely he would advise Agent of information he had obtained in this regard. He stated the person he has in mind has had several "strokes" in the past year.

Inasmuch as it was determined from SU 386-C that IVY MILLER, a number of years ago, was associated with BINION in the gambling rackets in Dallas and is reportedly seriously ill and has had a number of strokes, it was his opinion that this is the person BINION has in mind. BINION at this point has not been pressed in this regard until he is cultivated.

Informants contacted have been definite in their statements that BINION definitely has not been participating in any type criminal activity or is in any violation of Federal orState laws.
