ReNYlet to the Bureau, 12/16/65.

In the event any of the information furnished by
NY 5279-S* is disseminated outside the Bureau in the future,
it should be paraphrased and classified "Secret" in order

On 11/3/65, NY 5279-S* made available certain
material then in the possession of the subject. Included
in this material were the following items: ^(S)

Item # 1

A slip of paper bearing the handwritten notation
"393 7th Avenue, Third Floor" ^(S)

Personal observation of the building located at
this address by SA FRANCIS I. LUNDQUIST disclosed that this
is the Montgomery Ward Building and there are about 100
commercial tenants. On the third floor of the building
Montgomery Ward maintains its Catalog Order Department and
it is felt that this is probably the office to which the
notation refers. There are other commercial firms on the
floor but the names of the firms had no known significance
to this investigation. ^(S)
