

This document is made available through the declassification efforts
and research of John Greenewald, Jr., creator of:

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

 RE: JOSEPH FRANCIS NESLINE
 AR
 (OO: WFO)

Re WFO airtel to Miami, dated 9/23/63.

ESTELLE KASS, PCI, advised 9/30/63 that NESLINE and CHARLES TOURINE were in Miami Beach and staying in their apartments at the Hampshire Towers Apts., 5415 Collins Ave., Miami Beach. Informant unable to determine exact time NESLINE and TOURINE arrived, but said it was probably on 9/28/63.

Surveillance at the Hampshire Towers Apts. on 10/1/63 indicated NESLINE had possibly departed, as he was not observed. TOURINE was observed inside his apartment.

Baltimore is requested to contact State of Maryland authorities to determine when NESLINE and TOURINE are to begin serving their prison sentence.

Washington will attempt to determine when and how NESLINE travels to Miami and immediately advise Miami so an immediate surveillance can be instituted.
