interval at least for the next reporting period.

This report is classified confidential inasmuch as it contains information from CG T-1 through CG T-8 and from CG T-10 through CG T-21, the unauthorized disclosure of which could reasonably result in the identification of confidential informants of continuing value and compromise their future effectiveness.

Two copies of this report are being designated to New York pursuant to instructions contained in Bureau letter to New York dated March 30, 1961.

One copy of the letterhead memorandum has been made available to G-2, ONI, and OSI, all Chicago, with copies of the attached report.

The characterization of the 26th of July Movement appearing in the latter pages of this report was the subject matter of New York letter to the Bureau dated January 28, 1960. Since this characterization is current historical fact, it is not being attributed to an informant.

Careful consideration has been given to each source concealed and T symbols were utilized in this report only in those instances where the identities of the sources must be concealed.
