Re NY report of SA DEAN E. KEIL, dated 9/23/52, enclosed herewith.

In regard to NEONILA SHEVKO MAGIDOFF referred to in enclosed report, it is noted that the New York office is presently under instructions to interview both MAGIDOFF and her husband in an attempt to determine their willingness to cooperate with the Bureau.

It is suggested that the Bureau consider the possibility of having Mrs. MAGIDOFF interviewed for any knowledge she may have of RAIGORODSKY, bearing in mind that her only apparent contact with him was for a brief period in 1945. In this connection it is noted that RAIGORODSKY spent a short period in the New York area, hence a Credit and Criminal check has been included in this report. Since it is apparent that he was here only on a short visit, no further attempt has been made to ascertain his activity at the hotel where he stayed.

New York file 100-105803 contains investigation of Mrs. ETHEL MARGARITE BAKER, who is the former wife of RAIGORODSKY. The office of origin in this case is San Antonio, (Bureau file 100-12262). The only investigation conducted in the New York area pertained to LEDA and CHARLES HEIMSATH, the daughter and son-in-law of the applicant. Nothing derogatory was developed.

In regards to these two individuals New York file 123-5544 contains the result of an investigation pertaining to CHARLES HERMAN HEIMSATH securing a position with the Voice of America, (Bureau file 123-8298). It is noted that the New York investigation in this instance failed to reflect anything of an unfavorable nature pertaining to HEIMSATH or his wife.

New York file 100-13793 pertains to PAUL M. RAIGORODSKY, with San Antonio designated as the office of origin. No investigation was conducted by the New York office in this matter.

The above is being brought to the Bureau's attention by cover letter and is not being included in instant report, in view of the fact that the New York file on this investigation reflects that SHARPE was a plant on the subject on behalf of OSS, MIS, (G2). It was also definitely indicated that SHARPE had British connections and had been functioning as a British agent. She sailed from Philadelphia for Lisbon on December 3, 1943. The file does not indicate she has returned to this country. (u)

Regarding BEIGBEDER, the subject of the case, the New York file does not reflect any action taken against him at any time and does not reflect any final disposition of this investigation. u

The file does indicate that he was engaged in monarchist activity, however, no indication that SHARPE, who is the contact of the applicant, was herself engaged in any subversive activity. (u)
