IRAQ MISSION TO THE UNITED NATIONS
INTERNAL SECURITY - IRAQ] (S)

Liaison was requested to contact the respective Headquarters of the U. S. Customs Service (USCS) and the Bureau of Alcohol, Tobacco and Firearms (ATF) to determine the status of any current investigation concerning the following organizations and individuals, which might relate to the investigation of captioned subject.

Military Armament Corporation operated by George Salesky and Rosser Scott Reeves, III

Defense Systems operated by Mitchell Werbell, III, and Mitchell Werbell, IV

American International Corporation operated by Charles Goff

On 3/31/75 Mr. Elliot Anderson, Chief, Liaison Division, ATF, advised that ATF Headquarters had nothing in its files other than information furnished by the FBI. Anderson confided that ATF field divisions act somewhat autonomously of ATF Headquarters in conducting investigations and suggested that the FBI coordinate its investigations concerning Military Armament Corporation and its officers and Defense Systems and its officers with ATF, Atlanta, and concerning the American International Corporation and its officers with ATF, Salt Lake City. Anderson assured that these offices would undoubtedly have the most complete records of investigations in connection with the above cases.
