Office Memorandum • UNITED STATES GOVERNMENT

TO : DIRECTOR, FBI (61-7582)

FROM : SAC MIAMI (100-13197)

SUBJECT: HCUA HEARINGS
MIAMI, FLORIDA

DATE: March 9, 1955

Rebulet to Miami dated 10/15/54 and WFO let to Bureau dated 2/14/55.

John Howard Lawson 6-1

Parts I and II of the HCUA publication entitled "Investigation of Communist Activities in the State of Florida" have been reviewed and pertinent information relating to Communist activities of individuals residing within the Miami Division has been disseminated to their files and will be reported in their yearly reports.

This review failed to uncover any new information concerning the greater part of the persons identified as being Communist Party members in the Miami Division.

Fifteen witnesses appeared before the HCUA of which seven were "friendly witnesses" and eight were "unfriendly witnesses". The seven "friendly witnesses" identified some 131 individuals as Communists of whom some 71 resided in the Miami Division, and some 25 in the Charlotte Division. Five of the "friendly witnesses" have testified previously as government witnesses and all have been interviewed by the FBI. Three of these witnesses were former security informants, two have furnished information concerning Communist Party activities in the Miami area and the remaining two were recently interviewed by agents of the Miami Division at which time they agreed to cooperate fully with the government.

Six of the eight "unfriendly witnesses" are Security Index subjects in the Miami Division and the other two are Communist Index subjects.

During the HCUA Hearings, no disclosures were made of any Communist activities in Florida later than 1949. The investigation failed to uncover any Communist Party activities during the past five years in Florida.

No recommendations are being made at this time for additional investigation on any Miami subject or for permission to interview any of these persons.

There were six individuals mentioned as being Communist Party members in the testimony before the HCUA who resided in the Miami Division during the period the witnesses knew them that have not been subjects of any Bureau investigation. The Miami Division has opened a case file on each of these individuals and the Bureau will be advised of the results of the investigations. The following names are those individuals who were not previous subjects of any Bureau investigation.
