CNDI LA JO-1 advised that to the best of his knowledge LAWSON has occupied his time writing a book or books on his own initiative. CNDI LA JO-1 reported on December 16, 1948 that LAWSON has now commented that he would take any writing job even if it meant a cut in salary. LAWSON said it would be a tremendous victory if he could get hired.

CNDI LA JO-1 advised that JACK LAWSON is writing a book and that he was employing JANET STEVENSON and EDITH DIAMOND to type some of the material. In this connection Los Angeles T-1 reported on October 12, 1948 that a large husky man who was lame in the right leg appeared at the home of EDITH DIAMOND in Sherman Oaks, California. This person drove a Ford car bearing 1948 California license plate #71 W 273. The records of the Division of Motor Vehicles for the State of California reflected that the above mentioned automobile license is assigned to JOHN HOWARD LAWSON.

Los Angeles T-1 specifically stated that ^{Mr} JOHN HOWARD LAWSON entered the house at 15120 Hesby Street, Sherman Oaks. The Los Angeles telephone directory reflects that this is the home of MUNI DIAMOND and EDITH DIAMOND. CNDI LA JO-1 has advised that both MUNI and EDITH DIAMOND are members of the Los Angeles County Communist Party.

CNDI LA JO-1 advised on October 17, 1948 that LAWSON asked R.B. ROBERT (movie producer), 1052 North Carroll Drive, Los Angeles, California, to get a letter for him permitting him to use excerpts from the movie script BODY AND SOUL. LAWSON requested Mr. ROBERT to send the letter of authorization to MARJORIE MAYER, c/o G. P. PUTNAM & Sons Company, to W. 45th Street, New York City. CNDI LA JO-1 has advised that LAWSON's new book is being published by the Putnam Company. In this connection it should be noted that the title of LAWSON's forthcoming book has not been announced in Los Angeles to date.

CNDI LA JO-1 on November 3, 1948 advised that SUE LAWSON, wife of the subject, said that HERTA JERKOVITZ and LOU HARRIS were reading the manuscripts of LAWSON's new book. Both were very enthusiastic in praise of the book.

ARTS, SCIENCES AND PROFESSIONS COUNCIL

CNDI LA JO-1 advised on November 15, 1948 that PHILIP STEVENSON advised LAWSON that he was ready to make out a report and desired LAWSON's advice. LAWSON told STEVENSON to make the report up by topics and each topic should not contain too much historical background. LAWSON stated the article was for papers published by the International Workers Order whose readers were already familiar with the background. LAWSON said to

LA 100-21198

"THE 'LOYALTY' OATHS which demand that government employees conform to a prescribed opinion or be fired from their jobs--which defines loyalty on the basis of whether you ever opposed such things as a Franco Spain or a lynching in the South.

"THE TAFT-HARTLEY ACT which denies the American worker the freedom to organize as he chooses.

"THE INDICTMENTS of the Communist Party officials in New York simply because they are Communists despite the fact that the Supreme Court has ruled this is no crime.

"THE DISCRIMINATION being practiced against Negroes, Mexicans and other minorities through denial of their right to vote, lynchings, police brutality and segregation.

"THE GRAND JURY HEARINGS which deny freedom of speech--the right to choose when and where one will speak or be silent regarding his political belief or association."

This hand bill was signed by HERBERT BIBERMAN and JOHN HOWARD LAWSON who were described as two of the Hollywood victims of the Un-American Committee. The bill was signed by numerous other persons, many of whom are known to be members of the Communist Party in Los Angeles. CNDI LA 10-1 advised on December 17, 1948 that IRIS NOBLE planned to meet with JOHN HOWARD LAWSON on that date. It would be noted that NOBLE was subpoenaed by a Federal Grand Jury in Los Angeles on November 25, 1948 to testify in connection with loyalty hearings conducted in Los Angeles. IRIS NOBLE is a member of the Communist Party, according to CNDI LA 2619.

One of the founders of the Jefferson School of Social Sciences in New York and a leading Marxist authority on the American Labor Movement, Dr. FONER, will analyze and discuss past and present developments in the history of the United States Trade Unionism. His first appearance will be at the Embassy Auditorium, South Hall, Friday January 7, 1949." CONTRIBUTES TO INDEPENDENT
PROGRESSIVE PARTY

The referenced report reflects that on Sunday, August 29, 1948 JOHN HOWARD LAWSON held an outdoor party at his residence 9354 Bonnet, San Fernando between the hours of one and seven P.M. The proceeds were to be given to the Independent Progressive Party.

LA T-4 stated that he attended an I.P.P. Party held at the home of BURL IVES, 14716 Nordhoff Street, Van Nuys, California from four to seven P.M., on September 11, 1948. About 35 people were in attendance at this meeting. JOHN HOWARD LAWSON spoke regarding Civil Rights, Racial Discrimination, Freedom of Speech and communication in all fields. He stated that the reactionaries were trying to cripple and suppress communication between and news about the "Peoples Movement." He stated that fear was preventing people from supporting WALLACE openly, but that if "we" carry on openly and fearlessly that even if WALLACE lost in 1948, that "we" should sweep the country in '52, with the support of those now too fearful or pessimistic. Work and money and enthusiasm are the weapons of the people against the war. Oppression and chaos, born of lies. He stated that the United States and Western Europe are falling into Fascism.

Los Angeles T-4 furnished information concerning contributors to the 1948 campaign of REUBEN BOROUGH, candidate for Congress from the 20th Congressional District on the Independent Progressive Party. The informant stated that JOHN HOWARD LAWSON contributed \$100.00. In this connection, CNDI LA 1138 stated that REUBEN BOROUGH was a Communist Party line follower and has been so for many years.

MASSES AND MAIN STREAM

On September 17, 1948 CNDI LA 10-1 advised that JOHN HOWARD LAWSON and CHARLES GLENN were discussing proposed material for the magazine "MASSES and MAIN STREAM." It should be noted that the reference report reflects information regarding an article written by LAWSON in this magazine. The informant was of the opinion that GLENN had written an article for "MASSES and MAIN STREAM." LAWSON commented to GLENN the political situation wasn't tied up closely enough with the rest of the article; for instance, LAWSON said, concerning the Negroes in the radio part. LAWSON told GLENN that he should stress the economic control in advertising, etc. GLENN was advised by LAWSON that there was a lot of revealing information about the radio industry that could be used. CHARLES GLENN is a member of the Communist Party, according to CNDI LA 2900.
