NOTE: In accordance with Bureau instructions, New York has furnished photograph of MIRR members active in the New York area. This data has been furnished interested agencies including Legat, Ottawa, [for dissemination to RCMP] We searched the MIRR member in New York through Identification Records and have obtained copies of his fingerprints and Identification Record which are of interest to [RCMP] We have gathered this information since there have been definite indications that the captioned anti-Castro organization was cooperating with the Cuban Nationalist Movement to carry out attacks against Cuban targets in Canada.
