Attached for each recipient, except Ottawa, is copy of OTTairtel 4/23/68 with enclosure. (Note that RCMP has requested it be supplied with the registration number of cars that are driven by prime suspects in this matter.)

Accordingly, recipient offices under this caption will list the identities of key members of the captioned group in their areas who have been involved in bombing efforts (directed against Cuban targets in Canada together with the current registration numbers of their cars.) Submit in form suitable for dissemination.

(In view of the past indication that the MIRR was planning to cooperate with the captioned group in these activities,) recipient offices will also include in this material being prepared for dissemination under the MIRR subheading the identities of key MIRR personnel involved in such activities (together with the current registration number of their cars.)
