## A CUBAN IN DALLAS TEXAS, U.S.A...

13-00000

<u>MIGUEL CASAS SAEZ</u>, 22 or 23 years of age, born in Remedios, Las Villas, Guba, son of Joaquin CASAS (Alias) "Quintello", (this family is called by everyone "Los Quintellos") and of Georgina SAEZ Lopez, known as "la China", they live in an old wooden house at the end of Ariosa St., without number, at the said city of Remedios, L.V. We don't have his background before the revolution, maybe because he was so young, but after it, he became an ardent revolutionary, follower of Raul Castro. He went through the Department of Constructions of the Ministry of Education at the same time that he was a militiaman in Remedios, where he was known on account of doing more than what was required of him. Later he was transferred to the State Security Department (G-2), which was no secret to anyone because of the way he behaved. From time to time he was gone from the city of Remedios, a thing that didn't amaze of bothered anyone because of the quality of the person.

His aunt, <u>Lucia LOPEZ</u> MARRIED TO MR. WILFREDO RUISSCH, a former shoemaker in Camajuani, head-town of the municipality next to Remedios; this couple live on the Andres Cuevas St. #54 at the mentioned town of Camajuani, L.V. Now this Ruissch is in charge of the Trust of Leather which takes care of the distribution of Unit #402 of the Shoemakers of Camajuani; she (Lucia Lopez), upon a visit to the dentist, whom I have known for many years as a responsible and serious person, she expressed herself in the following manner:

"My nephew "Miguelito", has just arrived from the U.S., he was in Dallas Texas, on the day of the assassination of Kennedy, but he managed to leave through the frontier of Laredo; already in Mexico a FAR plane brought him to Cuba", she continued to say, "you know that he is one of Raul's men (referring to Raul Castro); Miguelito is very brave, very brave!"

The informant, dentist of the mentioned aunt, says he knows the so called Miguelito, he is five feet ten inches tall (5'-10"), dark, strong • complexion, dark brown hair, brown eyes, crazy about Castro. He had firing practice while in the militias and the doctor considers this man capable of doing anything.

Immediately I called two of my best men in Camajuani, one of them a shoemaker who knows Wilfredo Russch very well and I gave him instructions on this matter, but I didn't tell them too much of what I knew; the results, according to what they just informed me confirms what was stated in such a way that only this remains to be said:

"M.C.S. was a poor person, poorly dressed, and after he was missing from Remedios for several weeks but this was not strange due to his condition of militiaman and indoctrinated revolutionary, but now he dresses well, has a lot of money, owns large amounts of T-shirts, jackets and shoes all American made. The rumors are that he has given some pairs of shoes to some of his friends. "They were in a bar near him and were able to observe that the shoes they were wearing were American made".

It seems that he departed from Dallas Texas with two friends, and the Dentist believes he is following the tracks of one of them. If I have had any means of transmitting this message, you would have known about it at least ten days ago, but we have no other means to do it.
