MEMORANDUM FOR THE RECORD		DATE 29.7.68
SUBJECT OSWALD - Nosenko		FILE NUMBER

1. on 26 July Mr. Rocca c/c/R+A called to my attention an aspect of Nosenko's information which must be thoroughly examined when we attempt to assess/analyze Nosenko's story about the OSWALD case. Rocca has been reading all the papers from N re OSWALD and it is his impression there are not only gaps in the info from the standpoint that N should know well but also some aspects which don't ring true.

2. Recently Rocca received from the [redacted] information about the activities of KRIMA SHURAKOVA who was born in the [redacted]

<p>It is POCOA's impression (I have not examined this case thoroughly) that the Soviets have criticized to try to make SHURAKOVA look clean, i.e., that she has not had a KGB role and is only an "innocent" interpreter to support N's thesis. This is questionable on its surface at any rate. The [redacted] source and SHURAKOVA visited New TOUSSA's way works museum where SHURAKOVA had a visible reaction when seeing OSWALD display. Although this visit was entirely innocent on the part of the source [redacted] i.e., it was not done deliberately, SHURAKOVA's reaction indicated suspicion that this was a provocation.</p>
