DISPATCH

TO: Chief, WH Division	XX	MARKED FOR INDEXING
INFO.		NO INDEXING REQUIRED
FROM: Chief of Station, Mexico City		ONLY QUALIFIED DOCX CAN JUDGE INDEXING
SUBJECT		HANDLING

ACTION REQUIRED - REFERENCES

Reference: DIR-46112

1. On 10 September 1964 Subject provided the Station with a list of about 50 police and security contacts and about 60 other local personal contacts. Many of these contacts overlap and/or are identical with current Station contacts. The Station either has, or can easily acquire, contacts at a very high level in all important police and security agencies in Mexico City. None of the agencies on Subject's list with whom we do not have contact would require regular visits. If one-time contact was required, the Station could provide it independently.

2. In view of the above, plus the disproportionate amount of administration involved per reference, COS plans to inform Subject at the next opportunity that it was not possible to obtain approval from our Headquarters for a workable arrangement.
