- C. Donald Lee COX
- D. Larry Neil MACK
- E. Felix O'NEAL

2. LNERGO Headquarters has requested that these photographs be shown to our source since the identification of the people being harbored by the Curriel Apparatus is of extreme importance because "their activities raise the possibility of a political assassination or some other crime of violence." We have told LNERGO that our source has not been in direct contact with members of the "BAKER" group; his information has been obtained from sub-sources, and that it is unlikely that he will have a face to face encounter with any of them.

3. The Station, at its discretion, may want to show the photographs to (NICERTAIN/S) at this time, on an off-chance that he may have seen some of them or may unexpectedly encounter some in the future.
