SUBJECT : HSCA Final Report - Informal Review

1. HSCA has advised that a draft of the final report, 1200 pages on all aspects of the investigation, will be ready for an informal review on Friday, 2 March, at 0900, in Room 3381, House Annex 2.

2. We have been asked to read the report and to compile all of our comments on security aspects upon a single copy to be returned to Mr. Blakey when we have finished. Blakey hopes to end up with an unclassified document by the end of the review and will look to us for help in reaching that point. He will circulate the unclassified document to the former members of the Committee for comment on Monday. Their returned comments, along with any substantive comments we may wish to make, will be consolidated into a clean draft toward the end of next week and be submitted to us under the five-day rule for release. Please arrange for a representative from your office to be present at this review and advise Karen - Ext. 5441. The telephones located in HSCA offices (225-1252, 225-2554, and 225-9381) may be used for personal contact, as the review may run late.

3. OLC will arrange transportation. Departure from the front entrance of Headquarters Building at 0800, Friday, 2 March 1979.
