SUBJECT: Investigation of Death of Martin Luther King, Junior.

1. Your Bureau representative in Mexico City provided our representative with composite photographs of the suspected killer of Martin Luther King, Jr, and asked for a check against visitors to the Soviet and Cuban Embassies in Mexico City during the recent months.

2. Checks for persons appearing to resemble the composite photographs were negative at both Embassies. On 30 January 1968 an unidentified white male visited the Soviet Embassy but the description did not fit either the composite photograph or the description provided by your Bureau representative. However, our representative passed copies of the photographs to your Bureau representative with the notation that he did not appear to be identical with the Bureau suspect. Our representative further stipulated that any use of the photographs in an investigation should not reveal that the photographs were made.
