	This report was developed by an Air Force representative assigned to office of collection.7
1.	Before I was arrested I knew many people who were working with me in
3 1	order to overthrow the Castro Communist government. Many of us took Eloy <u>Gutierrez</u> Menoyo as a sincere individual who wanted to overthrow
	the Castro government. Gutierrez knew me well and I told him where we were going to meet the time we were captured by G-2. He was the only
	person that knew we were going to be there besides the people that were captured with me. Later on I was told by many of my friends that (hitianway had informed on us. The my knowledge he black informed on 1/2)
	Gutierrez had informed on us. To my knowledge he also informed on 142 other people that were captured and are now in prison.
2.	Since I have arrived here I am told that he is very active in anti- Castro groups. I sincerely believe that this man is a Castro agent in
ſ	disguise. He pretends to be anti-Castro but I strongly believe that he actually is working for the Castro government. I am so sure of this
	that I am willing to testify against Gutierrez in any court of law.
