MEMORANDUM FOR THE RECORD

FROM : Walter T. Lloyd  
Associate General Counsel

SUBJECT : Werbell, Michael Livingston, III

1. This is to record the substance of a conversation between the undersigned and Mr. Arthur Egbert of the Internal Security Division of the Drug Enforcement Administration, Department of Justice, on 16 November.

2. Mr. Egbert advised that William Walker, DEA agent assigned to the Werbell prosecution in Miami, Florida, had suggested Egbert contact the undersigned to obtain background information concerning Werbell incident to an investigation being conducted by the Internal Security Division of DEA. The undersigned arranged to call Mr. Egbert back at his office (phone No. 382-1096). In the interim I confirmed his identity through [redacted] and that he has been in touch with the General Law Division of OGC incident to the King case. Egbert suggested his files contain only newspaper clippings concerning Werbell and he is in need of more particulars. I confirmed that we have considerable information on Werbell but suggested DEA contact the Department of Justice and the FBI to obtain data held within the Justice Department. I pointed out that to a very large extent materials we possess are also possessed by the Department of Justice and, in particular, the FBI.

3. Egbert expressed appreciation for the suggestion and indicated he would contact the FBI and obtain the records possessed by his Department. I suggested he might contact Morton Sitver and Charles Jaffee of the Narcotics and Dangerous Drug Section of Justice who had discussed with us the prosecution of Werbell in the DEA case in Miami. In addition, I suggested that there are established liaison contacts for DEA with the Directorate of Operations and with the Office of Security through which information we possess can be obtained in a routine manner. Otherwise, if he had any difficulties or needed specific assistance he should contact the undersigned.
