SECRET

"f. A CIA report of 1961 lists him as a UN correspondent then planning an unsponsored trip to East Germany, Poland, Czechoslovakia, and Hungary. Dutch correspondents said that they had yet to see a story written by him. When he applied for membership in the UN correspondents' association, he was unable to produce a single clipping in support of the application. He travels extensively. He has excellent contacts in all Communist countries including Cuba.

"g. The Hague Post of 15 April 1951, with a nationwide readership, characterized OLTIMANS as an intimate friend of the then President of Indonesia, SUKARNO, and as having tried for five years to arrange contacts for SUKARNO in Holland.

"h. An FBI report of 24 November 1961 restates the above and adds that he had been separated or divorced from his American wife 18 months earlier because 'he is not a man'. He was living with a male at the time of the report.

"i. An FBI report of 1 February 1962 includes an interview with the ex-wife, Frieda BIELING (she had remarried). She said that her ex-husband and President SUKARNO were close friends and that he wrote to SUKARNO at least once a week throughout their marriage. Around 1957 she and OLTIMANS lived at the Paramount Hotel, New York, for a time. The Indonesian government paid their bill, which was more than \$300. She met SUKARNO through her husband in May 1959 in Copenhagen. At the time of the introduction SUKARNO cleared the room of all advisors and bodyguards, then said to her, 'So you are Frieda. Well, I am Sukie.' He told her 'that he looked forward to receiving his weekly messages from her husband/that he always read them just before he went to sleep while he was in bed.' She said that ten minutes after her wedding ceremony with OLTIMANS was over, she was alone. Her father, she said, learned that OLTIMANS had police record for molesting young boys in Amsterdam. She obtained a Mexican divorce in 1960. She said that OLTIMANS is at least intellectually a Communist and believes that Communism is the economic system of the future.

"j. ²⁰⁻⁶ [redacted] 1365, 24 October 1966, says OLTIMANS wrote pro-LUMUMBA articles in 1960, visited Cuba in 1962 and perhaps 1963, developed friendly relations with Chicoms at The Hague and may have visited China in 1964. In August 1966 he applied for a Chicom visa at The Hague.

"k. An FBI report of 12 May 1967 says that OLTIMANS claimed to have written for RAMPARTS an article about CIA in Indonesia. No such article has been found."
