MEMORANDUM FOR: Director of Security
ATTENTION : Chief, Alien Affairs Staff
SUBJECT : Bernard L. BARKER
#201 333

- 1. Agency use of the Subject, which began in 1959, continues to this date, at which time he is currently a JMWAVE asset. There is considerable correspondence on record, including some in his security file, concerning the Subject regaining his lost U. S. citizenship.
- 2. The attached dispatch, UFGS-1018 dated 8 February 1962, summarizes the results of previous inquiries into this matter. For your information, the Subject applied for an immigrant visa in Caracas, Venezuela, and entered the U. S. on that visa on 28 March 1962.
- 3. Also attached herewith is a copy of UFGA-16973 dated 24 July 1964 which is self-explanatory. The advice of the Alien Affairs Staff is again requested as to whether or not Subject has any recourse in this matter, or must wait the required five years as a Resident Alien. Please keep in mind that the Department of State file on the Subject could not be located when this matter was last reviewed. Whether or not a review of the Department's file would prove beneficial is left to your judgement and discretion.
- 4. Please direct your reply to the Security Officer, WH Division.
