AGREEMENT

#43872  
M. ALLEN  
SRS

I have read and fully understand the briefing statement made available to me regarding Project [Redacted]. By virtue of this briefing, I acknowledge that I have been the recipient of information relating to a highly classified program of interest to the United States Government.

I have been advised that due to the nature of this activity and the maximum priority placed upon secure accomplishment, extreme security measures and controls will be extended to protect project information. Therefore, access to any [Redacted] SIGINT System or related information is strictly limited and approval for access to such information is granted only when it can be demonstrated that the individual will directly further the program or provide needed support.

In order to avoid any possible misunderstanding of the security factors involved, everyone approved for access to any SIGINT System under the [Redacted] Project title, receives this briefing. Information will not be disseminated to individuals who are not approved for access to such information. Further, there is to be no discussion of any specific SIGINT System with persons other than those known to have been [Redacted] approved.

Having reviewed the above, I hereby accept the responsibility to handle information concerning Project [Redacted] in accord with the security measures established. In so doing, I note my thorough understanding that continued access to Project [Redacted] information is based on the "must know" principle and that such access does not extend beyond my present position or functional use which justified the "must know". I will accordingly advise the appropriate authorities of any change in my status and hereby agree to execute a Termination Understanding upon notification that such is required.
