COMMENTS OF REVIEWING OFFICIAL

Although this employee is a fine intelligence officer and has worked very hard for the Chief of Station, Mexico City, I consider the rating of Outstanding in all specific duties and for over-all performance to be excessively high. Reporting on the activities she supervises has been as good as that from other Mexico City operations but is still not up to DDP standards. While most of the projects she is concerned with are handled with proper cost consciousness, at least one of them, the LITEMPO Project, is not. The agents are paid too much and their activities are not adequately reported. This has been called to the station's attention.

Miss Goodpasture has been on sick leave since July 1972 awaiting medical retirement in October 1973. She is a charter member of the Agency having entered on duty from OSS and its successor organizations. Her career is highly distinguished by virtue of consistently strong to outstanding performance, all of which is fully documented.

In addition to several staff and desk assignments, Miss Goodpasture served in support of the successful coup against the communist government in Guatemala in 1954 and completed tours of duty in ______ Monterrey and Mexico City. Undoubtedly, the high point of her career occurred during her service in Mexico City from 1957 through 1970, where she served as a "trouble-shooting" case officer for the incomparable Winfield Scott (deceased), who was then the Chief of Station. Mr. Scott, a stern task-master, described Miss Goodpasture over these years as "intelligent, hardworking, conscientious, versatile, valuable and unquestionably one of the most competent CI/CE officers he ever had the privilege of working with." Miss Goodpasture's fitness reports were totally consistent with this appraisal, and were characterized by outstanding ratings. In her final assignment prior to acute medical problems, she worked for the CI Staff (October 1970-October 1971), earning the following remarks from her supervisor: "...I venture to rate her overall performance, thirty years of it, as Outstanding. Ann is one of the bugh warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened." The reviewing official agreed with the above and recorded his hope that Miss Goodpasture get the official Agency recognition she so richly deserves for the many years she has made substantive

contribution to the Clandestine Service.

By virtue of unusual dedication to duty which over a period of several years, included consistently long hours, superior performance and tangible achievement in sensitive matters of national security, Miss Goodpasture has excelled as an operations officer. She was the case officer who was responsible for the identification of Lee Harvey Oswald in his dealings with the Cuban Embassy in Mexico. She was also responsible for other important and successful operations against Soviet penetration efforts directed toward the United States from Mexico. She would rather work than rest, and when she works, she always impresses her superiors with her mastery over her craft. For thirty years Miss Goodpasture has given unstintingly of herself to the cause and mission of this Agency; the Agency owes her formal acknowledgement of appreciation.
