Chief, Special Security Division  
Security Violation Report

9 Jan 1953

*JAMES P. O'CONNELL*

1. Reference is made to the attached memorandum dated 5 December 1952 from the Acting Chief, Security Division, and also to memorandum dated 31 December 1952, subject: Security Violation - Unlocked Safe, from the Chief, Operations Branch, Special Security Division. These two memoranda pertain to a security violation on the Project Desk, Operations Branch, Special Security Division, on 18 November 1952.

2. It has been determined that Miss <sup>03</sup> [redacted] and Mr. Avignone and Mr. O'Connell were jointly responsible for the security violation in question, and such individuals have been informed of the seriousness of such violations. As the individuals mentioned above have not previously been charged with a security violation, it is recommended that the verbal reprimand given to such individuals be considered sufficient administrative action in connection with the security violation in question.
