## SECURITY INFORMATION

Acting Chief, Security Division

9 July 1952

Deputy Security Officer, CIA

SI Clearances.

1. Please take the following action in regard to clearances for Special Intelligence. The following employees of Security Division and Special Security Division, in view of their positions and the necessity for coordination in clearance and investigative activities, should be cleared for the Type "D" Special Intelligence. This is merely a briefing as to the existence of an SI activity but does not involve access to working material. This has been discussed with Jim Beard and he concurs in this need to know for appropriate performance of duty.

2. Please take the necessary action with Mr. Beard, OCI, to arrange for SI clearance and briefing of a Staff "D" Type of the following personnel:

- CLAYTON, Kenneth
- COTTER, William J.
- O'CONNEL, James P.
- BAUEAN, Jack E.
- MAUCHER, Andrew J.
- OSBORNE, William A.
- ( ) 03
- O'ROURKE, George E.

3. Please arrange for the withdrawal<sup>03</sup> of SI clearance and appropriate debriefing of ( ) and John P. McInnis, as their present assignments do not require continuing clearance for Special Intelligence.

4. Please advise OCI that ( )<sup>03</sup> who is carried on the books as being cleared for SI for I&SO, no longer has need within the framework of I&SO for such a clearance; however, he is an employee of Staff "C", OSO, and it may be their desire to retain him in a cleared capacity.

5. It is understood that a request has been made for clearance of Laurence PARR; however, it is not felt at this time that the need to know exists in relation to his field of activities. Please hold this clearance temporarily in abeyance until further developments.
