TERMINATION OF SECRECY AGREEMENT

1. I, David A. Phillips, am about to terminate my association with the Central Intelligence Agency. I realize that, by virtue of my duties with that agency, I have been the recipient of information and intelligence that concern the present and future security of the United States of America.

2. I have read and understand the provisions of the espionage laws (sections 793, 794, and 798 of Title 18, United States Code) and I am aware that unauthorized disclosure of classified information relating to the national defense may subject me to prosecution for violation of those laws. Further, I am aware that the National Security Act of 1947 specifically requires the protection of intelligence sources and methods from unauthorized disclosure.

3. I will never divulge, publish, or reveal by writing, word, conduct, or otherwise any classified information, or any information concerning intelligence or CIA that has not been made public by CIA, to any unauthorized person including, but not limited to, any future governmental or private employer or official without the express written consent of the Director of Central Intelligence or his representative.

4. I do not now have in my possession, custody, or control, nor am I retaining or taking away from CIA, any classified or unclassified documents or materials that are the property of CIA, or the custodial responsibility of CIA, having come into my possession as a result of my duties with CIA or otherwise.

5. I have been invited to submit in writing any monetary claims that I may have against CIA or the United States Government that may in any way necessitate the disclosure of information described herein. I have been advised that any such claims will receive full legal consideration. In the event, however, that I am not satisfied with the decisions of CIA concerning any present or future claims I may submit, I will not take any action to obtain satisfaction without prior written notice to CIA, and then only in accordance with such security advice as CIA will furnish me.

6. During my exit processing and during my period of employment with the Central Intelligence Agency, I have been given an opportunity to report all information about the Agency, its personnel, and its operation that I consider should receive official cognizance. Therefore, I am not aware of any information that it is my duty, in the national interest or otherwise, to disclose to the Central Intelligence Agency, nor am I aware of any violations or breaches of security that I have not officially reported, except as set forth on attachments to this sheet.

7. I will report without delay to the appropriate CIA officials, or the Federal Bureau of Investigation, any incident wherein an attempt is made by any unauthorized person to solicit classified information from me.

8. I have been advised that in the event I am called upon by the properly constituted authorities to testify or provide information that I am pledged hereby not to disclose, I will notify CIA immediately; I will also advise said authorities of my secrecy commitments to the United States Government, and I will request that my obligation to testify be established before I am required to do so.

(When Filled In)

9. I have read and understand the contents of this agreement and voluntarily affix my signature hereto with the full knowledge that it was executed for the mutual benefit of myself and the United States Government. I have read section 1001 of Title 18, United States Code and am aware that the making of a false statement herein or otherwise may be punished as a felony. With this understanding, I state that the information I have given is, to the best of my knowledge and belief, correct and complete, and agree that it may be used by the Government in carrying out its duty to protect the security of information that affects the national defense of the United States.

10. I understand that this agreement will be retained in the files of the Central Intelligence Agency for its future use or for reference by me at any time in the future that I may be requested or ordered to testify or disclose any of the matters included within the scope of this agreement.
