NADLEMAN, John D. (P)

1. Reference is made to your memorandum dated 5 November 1954 requesting the permission be granted by this office so that the Subject may take several training courses to be held in Building T-30 over the period from 15 November 1954 to 17 December 1954.

2. This is to advise that although this office interposes no security objection to Subject taking the proposed training to be held in Building T-30, it is felt from a security standpoint that Subject's presence at such courses may well create a security hazard that might make it inadvisable to use Subject in sensitive operational activities in the future.

3. For your information, Mr. John W. Belt, Security Office, Office of Training, has been orally advised of the decision of this office in this matter.

Memorandum for: Chief, Special Security Division  
Room 2605, Eye Building

Subject : Nadelman, John D. (P)  
#40696

1. Pursuant to conversation this date, it is requested that subject be granted permission to take two training courses, namely, Operational Security Course (15 - 26 November) and Clandestine Political Warfare Course (29 November - 17 December). These courses are held in Building T-30.

2. As described in the memorandum from DD/P dated 14 July 1954, every effort is being made to provide this individual with a broad picture of the activities of this staff. It is believed that these two courses will substantially assist in this education. If permission is granted by your office, it will be necessary to change subject's Limited Badge to provide access to Building T-30, in addition to Buildings I, J, K and L as presently authorized.

3. As registration for the two courses is required very soon, we urge immediate consideration of this request.
