SUBJECT: PHILLIPS, David Atlee

#40696

GIST:

PP/Operations requests limited badge for one year for Subject who is to be covert associate. Division claims badge is needed so that PHILLIPS can enter buildings for "indoctrination". Subject was utilized on PBSUCCESS and it is intended that he return to South America in covert capacity. DD/P personally interested in Subject.

DETAILS:

l. Attached hereto is a limited badge request from Acting Chief/PP/Ops. This request is to allow Subject to enter Agency buildings for a period of one year. Also attached is a memorandum from DD/P dated 14 July 1954, outlining the merits of the Subject and his future covert use. Apparently the Subject performed valuable services in connection with PBSUCCESS. According to this latter memorandum, the Subject is interested in staff employment. After serving one year at Headquarters, he would be able to accept a field assignment in South America. DD/P expressed the opinion there were no serious problems in this arrangement.
