## 8 October 1976

MEMORANDUM FOR: Chief, Security Analysis Group

FROM : Michael E. Schneeberger

SUBJECT : Philip B. F. AGEE Exposure of CIA Personnel

(JN 058476) dated 4 October 1976 which indicated, (IN 058476) dated 4 October 1976 which indicated, according to a very sensitive source, that one Ron CASPER (ph) of The Washington Post recently was in contact with AGEE. During that contact CASPER asked AGEE questions regarding the Kennedy assassination with specific interest relating to the involvement of OSWALD and Cubans. CASPER also queried AGEE regarding personalities assigned to the Mexico City Station in 1963, and AGEE provided CASPER with details regarding the Station's surveillance capabilities and the functions of specific individuals of interest to CASPER.
