8. (Confidential - GLC) LIAISON I called Bob Blakey, Chief Counsel, House Select Committee on Assassinations, to advise him of a call I had received from a former Committee employee who was calling on behalf of a current employee who is concerned about action taken regarding security clearances. (See Memorandum for the Record.)

9. (Secret - GLC) LIAISON Mr. Blake, A/DDCI, called to advise me that we might expect a call from Jerry Schechter, NSC staff, asking us to set up a meeting with Chairman Daniel K. Inouye (D., Hawaii) and Chairman Edward Boland (D., Mass.) for the DCI, Assistant Secretary of Defense Duncan and Ambassador Frank Press to brief the two Chairmen on the President's decision on telecommunications as contained in PRM-22.

10. (Internal Use Only - GLC) LIAISON Received a call from Dick Fischer, Standard Oil Company of Indiana, indicating that the Director had attended a lunch on his recent visit to Chicago which was attended by Al Monk, a Standard Oil representative who spoke with Bob Hepworth, NFAC/CSS and myself sometime ago about access to intelligence information. Fischer said he just wanted to alert me to the fact of the Director's meeting with Monk in the event the Director brings the matter up with us. I thanked Fischer for his call and told him that if there are any significant developments on this from this end, I would be in touch with him.
