15. (Unclassified - LLM) LIAISON Jack Boese, Department of Justice Civil Division, who is handling the AT&T case, referenced my discussion with Irwin Goldbloom, Deputy Assistant Attorney General, Civil Division, on the Rule XI problem as it relates to the Harrington case. In response to his request, I said I would see what I could do in providing a citation to committee reports in the incident.

16. (Unclassified - LLM) LIAISON Talked further with Bob Turner, staff of Senator Robert Griffin (R., Mich.), about the proposed amendment to the ACDA authorization bill to ensure that the amendment will not be construed to require disclosure of sensitive intelligence sources and methods.

17. (Unclassified - LLM) LIAISON Steve Fallis, staff of the House Committee on Assassinations, called to report that Chairman Louis Stokes (D., Ohio) would like to turn over in his office directly to either George Cary or his designee for review and determination under DCID 1/14, the background investigation reports on Committee staffers by the FBI. We will make the appointment directly with Chairman Stokes' personal office, 225-7032.

03 18. (Confidential - DFM) BRIEFING Accompanied Ron Estes, [redacted] and Evvy Vidal, DDO, to a briefing of Ed Levine, Senate Select Committee on Intelligence staff, on the [redacted] Levine had asked for the briefing in connection with Senator Clifford Case's (R., N.J.) upcoming trip to Belgium. At the end of the one and one-half hour briefing, Levine called the Senator's office to find out his exact itinerary so that we could cable it to the Station and Levine was informed the Senator had changed his mind and decided not to take the trip.

Later in the day, Levine told me he decided to prepare a report for the Committee records anyway and asked me a few more questions about the Station. I agreed to provide answers.

19. (Unclassified - DFM) LIAISON Received from Stan Taylor, Senate Select Committee on Intelligence staff, a list of Brigham Young students who would be attending the scheduled 27 May lecture at the CIA on the Agency.

Taylor also gave me a resume of his friend who was interested in employment at the Agency.
