Journal - Office of Legislative Counsel
Friday - 11 November 1977

26. (Secret - RSG) BRIEFING Accompanied Pat Taylor, NFAC/CSS, Hal Davidson and Doug George, NFAC/USSR, to a briefing of Senator Adlai Stevenson (D., Ill.) and several members of the Senate Select Committee on Intelligence staff regarding Soviet anti-satellite capabilities. (See Memo for the Record)

27. (Unclassified - DTC) LIAISON Sidney Stenbridge, DD/OS, and I met with Professor G. Robert Blakey, Chief Counsel and Director, House Select Committee on Assassinations, on two security matters.

28. (Confidential - PG) LIAISON Received a follow up telephone call from Michael Glennon, Legal Counsel, Senate Foreign Relations Committee, who wished to pursue the matter of the secrecy oath former DCI Richard Helms has referred to in recent press reports. I pointed out that George Cary had sent five such oaths to Norvill Jones, Chief of Staff, and that the best way to settle on which oath Mr. Helms was referring to would be to contact Mr. Helms or his lawyer. Mr. Glennon thanked me and agreed that this was probably the best course of action.

29. (Internal Use Only - PG) LIAISON Telephoned Bill Miller, Staff Director, Senate Select Committee on Intelligence, to discuss reimbursement to John H. Richardson, former [redacted] for Mr. Richardson's travel from Mexico to be interviewed by the House Committee on Standards of Official Conduct and the Senate Select Committee on Intelligence. I agreed to send Mr. Richardson's accounting for his travel to Mr. Miller immediately, in the hope that Mr. Richardson could be reimbursed prior to his departure for Mexico

Miller referred me to Martha McDonald, of his staff, and I contacted her. She made it clear it would not be possible to reimburse Mr. Richardson before his departure on the return leg of his trip, but agreed to make reimbursement as promptly as possible. We worked out an arrangement whereby the funds could be sent to Mr. Richardson's bank and I would advise Mr. Richardson of the deposit.

30. (Confidential - PG) LIAISON Received a telephone call from Victor Kramer, Special Counsel, Senate Select Committee on Ethics, who inquired into the status of security clearance. As I had done several times earlier, I advised Mr. Kramer that we were awaiting the requisite FBI action, which depended upon a document the FBI was seeking to acquire from the Immigration and Naturalization Service, and that I had urged FBI representatives to accelerate the matter. Mr. Kramer thanked me for the follow up action taken.
