13. (Unclassified - RJK) LIAISON Received a call from Helen Hudson, staff of Representative Lucien Nedzi (D., Mich.), who noted that James Pyrros, also of Mr. Nedzi's staff, had asked her to call concerning the long-standing interest of the Agency in gaining access to the Library of Congress SCORPIO Data System. She outlined a procedure for transmitting a formal application to Subcommittee of the Federal Library Committee. I told her I appreciated the information.

14. (Confidential - DTC) LIAISON Was visited by Professor G. Rober Blakey, Chief Counsel and Director, House Select Committee on Assassinations here at Headquarters. We discussed certain general topics relating to the Committee investigation and Mr. Blakey met with Sidney Stenbridge, DD/OS, for a short time to discuss security matters. The remainder of Mr. Blakey's visit is covered in a Memorandum for the Record.

I also provided Mr. Blakey with unclassified letters from Robert Gambino, D/OS, concerning security clearances of members of the Committee staff.

15. (Unclassified - RJK) LIAISON Called Peg Pokusa, Senate Select Committee on Intelligence staff, and told her that the constituent inquiry which she sent to us asking President Carter to seek the release of nine U.S. military personnel imprisoned in the Soviet Union should be referred to DOD. I had already called Col. Stephen Harrick, DOD Legislative Affairs, to confirm that he would handle this. He said he would tell Ms. Pokusa that there was no substance to the reports that these men were being held in a Soviet prison.
