TO : Mr. SAKX MILLER FROM : DFM SUBJECT: MOTES This is the Scott Breckinridge task force study which was last fall in response to the Church Committee book on the Kenne assassination. A copy of it was shown to Blakey. This be commit now with a suggestion from the IG that we send a copy to the SS HPSCI. I don't believe we should send it because it is extremely of the Church Committee report (see page 9 of the introduction sample). The Committee has not asked for this paper. Indeed I sure they even know of it, although a brief mention was made to Epstein recently. My concern is that report will fan the flame cause them to resurrect these old questions for a new look. I don't mind letting them know when they do a poor job but not wh cost is another examination of the same questions. I have expl point of view to Scott Breckinridge who said his concern was th providing a report to the Assassinations Committee which was no provided to oversight committees, but the': this was a question f He says he doesn't care if it is sent to the oversight committee MME OFFICE OFFICE OFFICE		DAT OF REC	and the second	Z*	*	-
