NOTE FOR: S. D. Breckinridge *[handwritten mark]*

FROM : Rodger S. Gabrielson

SUBJECT : Conversation with Harold Leap, HSCA Staff

1. Hal stopped by our office to turn in his summary file notes on the Japan connection. He indicated to me that he has completed his interviews of all people and that he will conclude that there is no credible evidence linking Oswald to a CIA operational connection in Japan.

2. Hal then talked about the trip to Mexico City. He indicated that on Sunday they had travelled to the residence of the former DCOS for an interview which was arranged for the current COS. He said the team was very disappointed in the DDCI's decision to deny direct access to Durant, particularly since some of the individuals they had interviewed indicated that the Station had passed to the Mexican Liaison Service certain "take" from the surveillance operations. He did not specify whether this meant audio or photo ops. He left me with the impression that the Committee would continue to press for access to Durant.
