4. (Unclassified - GLC) LIAISON Later in the day, I talked with Steve Fallis, House Select Committee on Assassinations staff, to advise him that we were not in a position to provide access to any files on the part of uncleared Select Committee personnel until such time as clearances were obtained and appropriate secrecy agreements were executed. At this point, Richard Sprague, Counsel of the Committee, came on the phone and referred to the fact that Mr. Knoche had made an exception in granting access to classified material regarding the tapes of Lee Harvey Oswald's communications with the Soviet Embassy in Mexico City and he wondered if similar arrangements could be made in this case. I told Sprague I would look into it and be back in touch with him.

5. (Unclassified - GLC) LIAISON Received a call from Dorothy Fosdick, Permanent Subcommittee on Investigations, Senate Government Operations Committee staff, requesting access to a study mentioned in the Henry Bradshir article in the press today entitled, "U.S. Hard Currency and Payments in 1977-1978." I made arrangements for the document to be delivered to Ms. Fosdick this morning.
