MEMORANDUM FOR : Director of Security
ATTENTION : Alien Affairs Staff
SUBJECT : AMMUG-1

1. There is no question in my mind that AMMUG-1 is a bona fide defector or that he has furnished us with accurate and valuable information concerning Cuban intelligence operations, staffers, and agents.

2. The information furnished by AMMUG-1 has been established as accurate through our examination of FID material, results of travel controls and reports from independent sources. His information has given us the potential and opportunity to take effective measures to safeguard United States Government interests.

3. AMMUG-1 has stated that he never was and is not now a member of the Communist Party. His polygraph results indicate that he has been truthful in discussing his personal history and in providing information.

4. I should like to have, as soon as possible, an Immigration and Naturalization identity document form I-94 plus an I-512 form which will permit him to travel to other areas and to return to the United States. It is possible that it will be necessary for him to travel on short notice in effecting recruitment or defections of key Cuban intelligence staffers and agents. I hardly can over-emphasize the urgency in this case as delay in expeditious travel may result in our losing operational opportunities of great value to the United States Government.
