COMMUNICATION OF DISPATCH	CLASSIFICATION S. S C R E T	DISPATCH SYMBOL AND NO. H-HA-6509
TO: WHB Representative, Miami (EMC4 Chief, WHB)		REMARKS . FILE NO. unknown
FROM: Chief of Station, Habana <i>201-267437</i>		Field file no. 10-200-130
STSD: Request A-BLDY/1 make Anti-Castro Tape Recording		29 June 1960
ACTION REQUESTED: See Below.		

1. The ANYUM organization reports it has the capability of playing tape recordings over selected public address systems in some of the most popular places in Habana. In order to test this professed capability and perhaps at the same time obtain some positive MIGAGE results, it is requested that MASH request A-BLDY/1 to record a series of anti-communist speeches for replay in Habana. The A-BLDY/1 recording should run approximately twenty minutes and it is suggested that the twenty-minutes recording be broken down into four separate speeches, each of five minutes duration.

2. The Station leaves the subject matter of the speeches to MASH discretion but would like to suggest that in one of the speeches the overall theme of a large and growing organized resistance within Cuba be emphasized in some fashion. Another useful theme would be a call for general and organized resistance to the Khruschev visit by all anti-Castro elements.

3. If time and the present work load at MASH permit, the Station would appreciate having at least three copies of each tape produced by A-BLDY/1 for possible simultaneous transmissions on a given date.
