SUBJECT: Operational/CROSS Suggested special program for AMCORE-2		ENCLOSURE

ACTION: As indicated below

REF: DOCY MESSAGE NO. 3251

1. In connection with propaganda programs on the 29th of July those as outlined in reference, it is suggested that AMCORE-2 be asked to prepare a series of broadcasts containing simulated conversations between Fidel CASTRO and AMCORE-2.
2. By use of excerpts from taped speeches by Fidel CASTRO, and answers by his former friend AMCORE-2, it should be technically possible to prepare an effective propaganda program, based on exploitation of inconsistencies and broken promises.
3. Headquarters would appreciate an early reply with JMWAVE's views on this proposal, and possibly variations of it using other assets. Should it also be possible to make small plastic 45 R.P.M. recordings of such conversations, Headquarters could arrange to have these inserted into material being sent to FRENCH.
